Subject: Suggestions and remarks on the Draft Recommendations on public participation in environmetal decision-making: Clarification

---

Dear Fiona,

Following my e-mail with regard to the suggestions and remarkds on the Draft Recommendations on public participation in environmental decision-making. I'm sorry to inform that there was a mistake regarding the ratification of the SEA Protocol. Armenia ratified it on 25 Oct. 2010.

Besides, we support the approach to use the term "should" throughout the Recommendations.

Thanks in advance.

Kind regards,
