Ref. Fifth Review of Implementation of the Convention

7 October 2019

Dear Ms. Krevska,

I am writing to you on behalf of the Implementation Committee under the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo, 1991) and its Protocol on Strategic Environmental Assessment (Kyiv, 2003).

At its forty-fifth session, held in Geneva from 10 to 13 September 2019, the Committee examined the reply from the Government of Ukraine received on 24 May 2019 in response to the Committee's letter of 17 April 2019 requesting further clarifications on how Ukraine as affected Party ensures public involvement in the environmental impact assessment procedure under articles 3 (8) and 4 (2) of the Convention.

The Committee has asked that I write to you to express the Committee's thanks for your clarification and to inform the Government of Ukraine that the Committee was satisfied with the information provided.

The Committee also requested your agreement that the correspondence between the Committee and your Government be placed on the Convention's website as illustration of the Committee's approach to a specific compliance issue and of a proper and sufficient response from a Party to address the issue. If there is no reply to this request by **30 October 2019**, the Committee would understand that you agree with publication.

Yours sincerely,

Romas Svedas  
Chair of the Implementation Committee
