

**List of transboundary environmental impact assessment procedures
according to the United Nations Economic Commission for Europe
Convention on Environmental Impact Assessment in a Transboundary Context (Espoo, 1991)**

The list below presents projects included in the answers to the questionnaires submitted by Parties during the fourth review of implementation with the Convention (start 2010 to end 2012). It is put on the web site at the request of the Meeting of the Parties at their sixth session (decision VI/1 on reporting and review of implementation of the Convention, Geneva, 2–5 June 2014).

The information is unofficial and may be incomplete, but provides an indication of planned activities subject to the Convention and presented by Parties in their answers to the questionnaires.
