## Part two

### Practical application during the period 2013–2015

Please report on your country's practical experiences in applying the Convention (not your country's procedures described in part one), whether as Party of origin or affected Party. The focus here is on identifying good practices as well as difficulties Parties have encountered in applying the Convention in practice. The goal is to enable Parties to share solutions. Parties should therefore provide appropriate examples highlighting application of the Convention and innovative approaches to improve its application.

II.1 Does your country object to the information on transboundary EIA procedures that you provide in this section being compiled and made available on the website of the Convention? Please specify (indicate "yes" if you object):

- a) Yes
- b) No

Your comments:

#### 1. Experience in the transboundary environmental impact assessment procedure during the period 2013–2015

##### Cases during the period 2013–2015

II.2 If your country's national administration has a record of transboundary EIA procedures that were under way during the reporting period, in which your country was Party of origin or affected Party, please list them in the tables II.2 (a) and II.2 (b) below (adding additional rows as needed).

Table II.2 a)

##### Transboundary EIA procedures: As Party of origin

Name of case	Starting date (date notification sent)	Submission of the environmental report	Length of the main steps in months

Your comments:

Please share with other Parties your country's experience of using the Convention in practice. In response to each of the questions below, either provide one or two practical examples or describe your country's general experience. You might also include examples of lessons learned in order to help others.

II.3 Translation is not addressed in the Convention. How has your country addressed the question of translation? What difficulties has your country as Party of origin and affected Party experienced relating to translation and interpretation, and what solutions has your country applied? (Please specify, among others, the parts and type of the documentation translated, language, costs, etc.):

a) As Party of origin: notification, non-technical summary and EIA transboundary documentation are translated into Russian and English

b) As affected Party Ukraine asks the Party of origin to translate the documentation into Russian or Ukrainian

II.4 Describe any difficulties that your country has encountered during transboundary public participation (expert consultation, public hearing, etc.), including issues of timing, language and the need for additional information: payment for translation

II.5 Does your country have successful examples of organizing transboundary EIA procedures for joint cross-border projects or that of an NPP?:

- 
- a) Yes
  - b) No

II.6 If you answered yes to question II.5, please provide information on your country's experiences describing, for example, means of cooperation (e.g., contact points, joint bodies, bilateral agreements, special and common provisions, etc.), institutional arrangements, and how practical matters are dealt with (e.g., translation, interpretation, transmission of documents, etc.):

- a) For joint cross-border projects:
- b) For NPPs:

II.7 Name examples of good practice cases, whether complete cases or good practice elements (e.g., notification, consultation or public participation) within cases:

II.8 Would your country like to introduce a case in the form of a Convention "case study fact sheet"?

- a) No
- b) Yes  (please indicate which cases):

II.9 Has your country carried out post-project analyses in the period 2013–2015:

- a) No
- b) Yes  (please indicate which projects, along with the challenges in implementation and any lessons learned): monitoring of the Danube delta in the Bystroye arm

## 2. Experience in using the guidance in 2013–2015

II.10 Has your country used in practice the following guidance, adopted by the Meeting of the Parties and available online?:

a) Guidance on Public Participation in Environmental Impact Assessment in a Transboundary Context (ECE/MP.EIA/7):

- No
- Yes  (please provide details):

Your experience with using this guidance:

Your suggestions for improving or supplementing the guidance:

b) Guidance on subregional cooperation (ECE/MP.EIA/6, annex V, appendix):

- No
- Yes  (please provide details):

Your experience with using this guidance:

Your suggestions for improving or supplementing the guidance:

c) Guidance on the Practical Application of the Espoo Convention (ECE/MP.EIA/8):

- No
