10 November 2010

Mr. Pat Swords
(by e-mail)

Dear Mr. Swords

I refer to your Access to Information Request of 10 October 2010, which you made under the Access to Information Directive 2003/4/EC and its implementing Regulations SI No 133 of 2007, concerning records of the submissions to the recent waste consultation on a Draft Statement of Waste Policy.

The delay in responding is regretted.

I made a decision on your request on 10 November 2010. I may be contacted by telephone on 01 888 2710. I will seek to answer any questions you may have and assist you generally in relation to the matter.

A schedule is attached to this letter which identifies the records that this Department considers come within the ambit of your request. The schedule describes each record and indicates whether the record is released in full, part-released or is refused.

I have decided that access to all the records should be refused under Article 8. (a)(iv) of the regulations.

Rights of appeal

You may appeal this decision by writing to the *Department of the Environment, Heritage and Local Government, Custom House, Dublin 1*, referring to this decision. You must make your appeal not later than one month following receipt of this decision. For the appeal process, known as internal review, a person unconnected with the original decision whose rank is the same as, or higher than, that of the original decision maker will be appointed to affirm, vary or annul the decision, and, where appropriate, require that the environmental information be made available to you in accordance with the Regulations. The decision on the internal review will be given within one month of receipt of your letter.

Yours sincerely
