**Subject:** CHAP (2010) 00645 - is DG COMP involved in any way?

Dear Tarja and Vanessa,

We received some inquiries about an Irish State Aide case. The complainant mentioned he contacted the Commission, and that a complaint is registered in his name: CHAP (2010) 00645.

Could you please check if DG COMP is/was involved in this complaint, and eventually let me know who from COMP deals/dealt with it?

Many thanks in advance,
