Mr Pat Swords

Dear Mr Swords,

Re: Access to Information on the Environment Regulations, 2007 - Appeal against Environmental Protection Agency decision

I refer to your appeal received here on 11 January 2011 concerning the alleged failure of the Department of the Environment, Heritage and Local Government (the Department) to comply with the EU Directive in relation to Waste Management Policy and their failure to post submissions to the recent waste consultation policy on the relevant website as they had undertaken to do.

As you are aware under Article 12(4)(a) of the Access to the Information on the Environment Regulations, 2007 (the Regulations), an appeal to the Commissioner must be made not later than one month after the internal review decision has been, or was required to be, notified to the applicant i.e. by 7 January 2011 and your appeal was not received until 10 January 2011. However on foot of your submission of 6 February, 2011 the Commissioner has used her discretion under Article 12(4)(b) of the Regulations to extend the timeframe for the acceptance of a late appeal in this instance.

Acceptance of Application for Review

The Commissioner has decided that she will carry out a review in this case. You are entitled to make a submission which the Commissioner will take into account in her review. Any such submission should be received in this Office by **Monday, 7 March, 2011.**

Fee

This Office was established under S.I. No. 133 of 2007. Article 15(3) of the S.I. provides that a fee of €150 must be charged for an appeal to the Office of the Commissioner for Environmental Information. In certain circumstances, as provided for in Article 15(4) of the Regulations, a reduced fee of €50 applies. There is no provision in the Regulations for accepting an appeal where a fee is not paid.

I confirm that a fee of €150 is payable in this case. I confirm that the full amount of €150 was received by this Office on 10 January, 2011 (as per Receipt No. CEI 1176) and, thus, the appropriate fee has been paid.

Yours sincerely

Phyllis Flynn
Higher Executive Officer
