Overwhelming demand to build back better

“We simply cannot return to where we were before COVID-19 struck, with societies unnecessarily vulnerable to crisis. We need to build a better world.”

UN Secretary-General,
Antonio Guterres

Supporting Road Safety in the next decade

UNRSF – Looking ahead

- Scale-up financing through traditional as well as innovative resource-mobilization
- Respond to huge demand for funding by expanding its geographical and programmatic footprint – **launch of 2020 Call for Proposals on 30 October**
- Ensure that the Fund's projects are generating significant and sustainable impact on road safety
- Expand partnerships to advance interlinkages b/w road safety and other core development issues
