# ADMINISTRATIVE COMMITTEE FOR THE TIR CONVENTION, 1975

#### **TIR Executive Board (TIRExB)**

(Twentieth session, 19 and 20 November 2003, agenda item 6 (b))

#### PREVENTION OF CUSTOMS FRAUD WITHIN THE TIR SYSTEM

#### Draft questionnaire on the application of Annex 9, Part II of the TIR Convention

#### Note by the TIR secretariat

#### A. MANDATE AND BACKGROUND

- 1. The TIRExB, at its eighteenth session, considered Informal document No.19 (2003) transmitted by the IRU, containing proposals on preventing and combating\_Customs fraud within the TIR system. As one of the major elements of fraud prevention, the IRU identified the harmonized implementation of Annex 9, Part II of the TIR Convention with the objective to prevent access to the TIR procedure by undesirable operators (TIRExB/REP/2003/18, para. 25).
- 2. The TIRExB was of the view that a survey on the application at national level of Annex 9, Part II of the TIR Convention should be undertaken. The TIR secretariat was requested to prepare a draft questionnaire for consideration at one of the future sessions of the TIRExB (TIRExB/REP/2003/18, para. 26). The Board also included this issue into its programme of work for 2003-2004 as a priority item.
- 3. The TIRExB is invited to consider a first draft questionnaire on the application of Annex 9, Part II of the TIR Convention prepared by the secretariat (below). The questionnaire will be accompanied with a cover letter clarifying the reasons and objectives of the survey. As soon as the TIRExB approves the content of the questionnaire, it will be converted into an interactive form which could be filled-in electronically.
