

Proposal of amendments to ECE/TRANS/WP.29/GRSP/2011/7

Note: The modifications to the ECE/TRANS/WP.29/GRSP/2011/7 are marked in bold for new or strikethrough for deleted characters

I. Proposal

Paragraph 1.6., amend to read:

"1.6. At the request of the manufacturer, it also applies to safety-belts designated for installation on side-facing seats in vehicles of categories M2 (Class II, III or B) ~~and M3 (Class II, III or B).~~"

II. Justification

Paragraph 1.6. states that, at the request of the manufacturer, it also applies to safety-belts on side-facing seats in vehicles of categories M2 and M3. However, the same document ECE/TRANS/WP.29/GRSP/2011/7 contains the requirement for safety-belts on side-facing seats in M3 vehicles in its amendment proposal for Annex 16. In addition, document ECE/TRANS/WP.29/GRSP/2011/6 requires mandatory installation of at least 2 safety-belt anchorages on side-facing seats in M3 vehicles. For these reasons, there is no need to respond to the request of the manufacturer.
