Working Party on Transport Statistics

Sixty-second session

Geneva, 6–8 July 2011

Item 3 (c) of the provisional agenda

Methodological development and harmonization of transport statistics

Common Questionnaire

Note by the secretariat

I. Mandate

1. The Working Party on Transport Statistics (WP.6), at its sixty-first session in June 2010, requested the secretariat to elaborate a concrete proposal on questions to be included on passenger transport enterprise indicators, for presentation and discussion at the present session (at present, only data on road goods transport enterprises, are collected (ECE/TRANS/WP.6/159, paragraph 14 (c)).

II. Proposal

2. The secretariat proposes to collect data by means of a pilot questionnaire broken down by number of employees in the enterprise and by number of road motor vehicles as given below.

	2006	2007	2008	2009	2010
