

Economic Commission for Europe

Inland Transport Committee

16 January 2012

Working Party on the Transport of Dangerous Goods

**Joint Meeting of Experts on the Regulations annexed to the
European Agreement concerning the International Carriage
of Dangerous Goods by Inland Waterways (ADN)
(ADN Safety Committee)**

Twentieth session

Geneva, 23–27 January 2012

Item 7 of the provisional agenda

Special authorizations, derogations and equivalents

**TNO support for the recommendation on the use of LNG for
propulsion for the tank vessel Argonon**

Transmitted by the Government of the Netherlands

Memorandum

To
DGLM, attn. mr. G. Mensink and mr. R. Vermeulen

From
A.W. Vredevelde

Subject
MTS Argonon, trico yard no 07 KHO 169, LNG propulsion.

We have studied the recommendation to inspection bodies relating to the Rijnvessels inspection regulations, including the annexes.
We have further discussed various issues with yard, owner and classification society.
Our conclusion is that, to date, all issues identified are being adequately addressed.
Hence we support the recommendation.
