Instructions in writing

Transmitted by the International Road Transport Union

To correct the wording “apply the braking system” in the French version of the instructions in writing.

I. Actions in the event of an accident or emergency

Sub-section 5.4.3.4 Actions in the event of an accident or emergency:

In the first page of the instructions in writing, under paragraph 1, the French version “déclencher le système de freinage...” should be amended to read “enclencher ou actionner le système de freinage...”

II. Justification

This correction may have repercussions on the instructions in writing for those Contracting Parties which translate their own instructions based on the French version.
