RID/ADR/ADN

Joint Meeting of the RID Committee of Experts and the
Working Party on the Transport of Dangerous Goods
(Geneva, 19 - 23 September 2016)

Document ECE/TRANS/WP.15/AC.1/2016/24

Transmitted by Austria

The existing text in 1.4.2.2.2 reads:

"1.4.2.2.2 The carrier may, however, in case of 1.4.2.2.1 (a), (b), (e) and (f), rely on information and data made available to him by other participants."

Proposal

In 1.4.2.2.2, add the following sentence:

"In the case of 1.4.2.2.1 (c) he may rely on what is confirmed in the container/vehicle packing certificate."

It is not necessary to limit the carrier's reliance when infringements are obvious. This is already done in existing 1.4.2.2.3.

In the discussion during the coffee break the delegations of Germany, Belgium, Spain, Switzerland, France, Luxemburg and United Kingdom wanted to support this proposal.
