European Agreement concerning the International Carriage
of Dangerous Goods by Inland Waterways (ADN)
(ADN Safety Committee)****Twenty-eighth session**

Geneva, 25-29 January 2016

Item 4 (d) of the provisional agenda

Training of experts**8.2.2.6 ADN — Approval of training courses****Transmitted by the Government of Germany¹***Summary*

Executive summary: During its 26th session in January 2015, the ADN Safety Committee decided to establish a model certificate of participation in a specialization course on gases in accordance with 1.6.8, as proof of training.

At its 27th session in August 2015, the ADN Safety Committee confirmed that training bodies located in a country other than that of the examination should be recognized by the contracting party where the examination was administered.

The Contracting Parties should therefore exchange information on the training courses that they have approved.

Action to be taken: Information on training courses approved in Germany.
