

**Proposal for Corrigendum to Regulation № 60
(Driver operated controls (mopeds/motorcycles))**

The text reproduced below was prepared by the expert from the Russian Federation with the aim of aligning the English and Russian texts of UN Regulation № 60. The proposal refers only the Russian text.

The modifications to UN Regulation № 60 are marked in bold for new characters and strikethrough for deleted characters.

Corrigendum

Paragraph 2.29, correct to read:

"2.29 «Общее пространство» означает участок, на котором могут отображаться, но не ~~совмещаться~~ **одновременно**, не менее двух информационных функций (например, условных обозначений)."
