Invitation to the RESS-6 Meeting

RESS-6-1

Dear colleagues,

after getting the feed back to the Japanese offer hosting the next meeting in Tokyo, I have to apologize we cannot accept the invitation. Due to budgetary reason some key persons are not allowed to travel to Asia.

So, the next and probably last RESS meeting or should I say REESS meeting will be held in Europe.

Herewith I invite to the 6th meeting at

ACEA (European Automobile Manufacturers' Association)
85 Avenue des Nerviens
1040 Brussels

We start on January 10th at 09:00 and conclude on January 12th at 15:30.

Best regards

Gerd Kellermann
chairman of the RESS group
