REMINDER

SUBJECT: 2005 Census of Motor Traffic on Main International Traffic Arteries in Europe (E Road Census)

Dear Sir/Madam,

The Inland Transport Committee of the United Nations Economic Commission for Europe invited Governments to supply the results of the combined E-Road Census and Inventory to the UNECE secretariat, if possible, before 1 March 2007, in accordance with UNECE Resolution No. 254 (ECE/TRANS/156, Annex 3).

I wish to inform you that to date your data has not been received by the secretariat.

In the interest of the timely and accurate publication of the 2005 E Road Census, I would greatly appreciate it if you could transmit the data to the secretariat at your earliest possible convenience.

Should you, in the meantime, have transmitted your results to the secretariat, please disregard this fax.

I thank you in advance for your kind cooperation and look forward to your timely reply.

Yours sincerely,

J. Capel Ferrer
