

# **84<sup>th</sup> Inland Transport Committee Side event on “Used Cars for Africa”**

## **Roundtable: Towards a Harmonized Framework for (New and) Used Vehicles for Africa**

February 21<sup>st</sup>, 2022

Eduard Fernández, Executive Director

# Vehicle compliance schemes

- **Tailorization is expensive**
- **Worldwide standardization allows to take advantage of the work already done**
- **Mutual recognition requires reliable databases and communication**
- **WP.29 Agreements**

- **Vehicle Compliance Schemes: a governmental responsibility**
- **Standardization without governance is useless**
- **We need realistic and updatable vehicle compliance schemes**
- **Empowering authorities**

# Take aways

- **Plenty of technical solutions already developed and available: WP.29 Agreements**
- **Taking advantage of the work already done**
- **Reliable information**
- **Governance is key**

# Thank you for your attention!
