# Inaugural Meeting of the Working Group on Tailings Safety in Tajikistan 2 December 2021

# Formal establishment of Inter-Institutional working Group on Tailings Safety and the Prevention of Water Pollution in Tajikistan

*Service for State Supervision of Safe Work in Industry and Mining Supervision under the Government of the Republic of Tajikistan*

Ministry of energy and water resources

Ministry of industry and new technologies

Committee of emergency situations and civil defense

Committee for Environmental Protection

On-site training held on June 2-4, 2021, in the city of Panjakent (Tajikistan) in JV "Zarafshon"

# Second Meeting of the Working Group on Tailings Safety in Tajikistan 5 April 2023

# Subregional workshop on mine tailings safety and the prevention of accidental water pollution in Central Asia, 25-26 May, 2023

# *Objectives of IIWG and expected results*

## Improved Tailings Safety

Increased efficiency of state regulation and governance related to safe management of the environmental risks, especially in the context of tailings management

Reducing the risks of accidental water pollution from TMFs

to consider issues and recommend solutions for coordinated joint efforts to prevent accidental water pollution, incl. transboundary effects at the river basin level

**Thank you for your  
attention**
