I. Proposal

Annex 5,

Tables 1 to 9, shall be deleted

Insert new paragraph 1, to read:

"1. **The theoretical rim, outer diameter and nominal section width of tyres of certain size designations are in [ECE/... (Resolution on Tyre sizes)]"**

II. Justification

Regulation No. 106 contains standardized tyre sizes which often need to be updated, following the technical progress. In order to accelerate the update process of the Regulation and limit the number of amendments, it is proposed to insert in a new Resolution the standardized sizes and to refer to this resolution in Annex 5.
